UNITED STATES GOVERNMENT

# Memorandum

TO : AD/RR  
THRU : Chief, ERA  
THRU : Chief, D/T  
FROM : Chief, T/TR

DATE: 23 June 1965

SUBJECT: Cable from Saigon Regarding Need for Transportation and Other  
ORR Publications on Southeast Asia

25X1A

[redacted] states that there is an immediate need for a transportation study of Cambodia and other countries of the Southeast Asia Area. Additionally, it states [redacted] continuing interest and need for ORR publications analyzing or depicting geographic, climatic, etc., conditions of Southeast Asia as they affect intelligence and military operations. [redacted]

2. The purpose of this memorandum is to inform you of the papers prepared by the Economic Research Area in the recent past on the Mainland of Southeast Asia, the papers which are currently available in draft form, and the papers which are scheduled. The attached tabulation shows that 39 papers have been completed principally in 1964 and thus far in 1965 which may be of interest [redacted] some of which were prepared in response to special requests. Three papers have been completed in draft form, but have not yet been published, and 17 papers are scheduled for completion during the coming fiscal year.

4. In view of the above, it is recommended that a copy of the tabulation, [redacted] requesting an indication of interest in the various reports listed. Copies of all or a part of the reports can then be made available including those prepared in response to special requests. It is recommended further that clarification of the interest in transportation studies be requested.
